

SOFIA SANCHEZ ALEGRE

Universidad Torcuato Di Tella ◊ Av. Figueroa Alcorta, 7350, C1428, CABA, Argentina
sofia.sanchezalegre@utdt.edu — Website: sofiasanchezalegre.github.io

ACADEMIC POSITIONS

Visiting Professor 2026 – present
Business School, Universidad Torcuato Di Tella (UTDT)

EDUCATION

Ph.D. in Economics 2022 – 2026
Universidad Carlos III de Madrid (UC3M)

M.S. in Economic Analysis 2020 – 2022
Universidad Carlos III de Madrid (UC3M)

B.S. in Economics 2014 – 2019
Universidad Nacional de Córdoba (UNC)
Ranked first in cohort (2014 intake)

RESEARCH INTERESTS

Macroeconomics; International Macroeconomics; Monetary Policy; Macroeconomic Effects of Climate Change.

JOB MARKET PAPER

Limits to Monetary Policy: When Central Banks Diverge

Abstract: In mid-2024, the European Central Bank (ECB) and the U.S. Federal Reserve (Fed) pursued divergent monetary policies, breaking a period of monetary policy synchronization. This paper asks whether such divergence matters for the transmission of ECB monetary policy. Using state-dependent local projections, I show that during U.S. monetary expansions, an ECB tightening generates sign-reversed responses: output and inflation rise. By contrast, a Fed tightening is contractionary regardless of ECB policy. I rationalize these findings in a two-country New Keynesian DSGE model with financial frictions operating through a global investor. Dollar as the international currency, a no-arbitrage condition linking capital returns, and deviations from uncovered interest parity jointly imply that an easing of U.S. monetary policy lowers dollar funding costs and relaxes the global investor's balance-sheet constraint, prompting a reallocation toward higher-return euro area assets, and thereby conditioning the transmission of ECB monetary policy.

WORKING PAPERS

Stochastic Climate Damages: Business Cycle and Policy Responses (with Hernán D. Seoane)

TEACHING EXPERIENCE

Teaching Assistant, “Macroeconomics I” (graduate) Fall 2025, 2024, 2023, 2022
Universidad Carlos III de Madrid (UC3M)
Professor: Prof. Andrés Erosa
Teaching Excellence Award (UC3M)

Teaching Assistant, “Econometric Techniques” (undergraduate) Fall 2025, 2024, 2023, 2022, 2021
Universidad Carlos III de Madrid (UC3M)
Professor: Prof. Jesús Gonzalo
Teaching Excellence Award (UC3M)

Teaching Assistant, “Econometrics” (undergraduate) Spring 2022
Universidad Carlos III de Madrid (UC3M)
Professor: Prof. Miguel Delgado

WORK EXPERIENCE

Junior Researcher

2017 – 2018

Instituto de Investigación Económica – Bolsa de Comercio de Córdoba

ACADEMIC PRESENTATIONS

2026: 6th Annual Workshop for Women in Macroeconomics, Finance and Economic History; 2026 RCEA International Conference on Economics, Econometrics, and Finance. Córdoba Economics Annual Meeting (CORE) 2026 (*scheduled*).

2025: 2025 ENTER Jamboree Conference; 1st Madrid Mountain Macro Conference (*Poster*); ENTER Seminar, Tilburg University.

2024: 18th International Joint Conference CFE–CMStatistics (December 2024).

2019: Córdoba Economics Annual Meeting (CORE), Universidad Nacional de Córdoba (UNC) (*Poster*).

HONORS

2023–present: Full Fellowship for Graduate Studies, *Formación de Personal Investigador (FPI)*, Ministry of Science and Innovation (Spain).

2022–2023: Full Fellowship for Graduate Studies, *Personal Investigador Predoctoral en Formación (PIPF)*, *Convocatoria UC3M 01-2223*, Universidad Carlos III de Madrid.

2020–2022: Full Fellowship for Graduate Studies, Universidad Carlos III de Madrid.

2014–2019: Scholarship for Undergraduate Studies, Government of San Luis Province.
